

GAF Roofing Academy

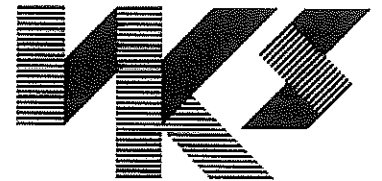

ATTRACT. EDUCATE. CONNECT. EVOLVE.

The **GAF Roofing Academy** will provide an introduction to commercial roofing installation. The graduates of the program will receive a GAF Roofing Academy certification. Graduates will also have the opportunity to earn their OSHA 10 for free, outside of training hours, per student request. Completion of the program signals to roofing employers that the graduates have the proper entry-level skills for a commercial roofing installation career.

Program Details:

- This program will focus on teaching the basics of low slope roofing.
- The graduates of the class will have the knowledge and skills to enter into the commercial roofing industry
- Graduates will receive a certificate of completion as a GAF Roofing Academy Graduate.
- Upon Completion, graduates will have the opportunity to interview with Wm. Kramer & Son, Inc. for full-time employment.
- Transportation to and from the training facility is the responsibility of the attendee.
- Light breakfast and lunch provided each day.
